Erode Tamil Nadu 638009 | 9047324000 | prabhukrishnaofficial@gmail.com | System Engineer

SUMMARY

Passionate Front-End Developer with 2 years of hands-on experience building and maintaining responsive web applications. Proficient in React.js, JavaScript, CSS, SCSS, and React Redux; excellent in crafting user-friendly interfaces and ensuring smooth performance across various browsers. Skilled in translating design wireframes into high-quality code and fostering collaboration between design and development teams.

TECHNICAL SKILLS

- **Languages:** JavaScript, HTML5, CSS3, SCSS
- **Libraries:** React.js, Redux/toolkit.
- **Tools:** JIRA, Visual Studio code, GitHub.

RELEVANT EXPERIENCE

Infosys – System Engineer **May 2022 to till date**

As System Engineer mainly involved in building and designing responsive front-end web applications.

- Practiced Agile and Scrum methodologies in daily work, including participating in sprint planning, daily stand-ups, and retrospective meetings
- Developed and maintained responsive web applications using React.js, JavaScript, CSS, and SCSS.
- Created reusable components and front-end libraries for future use.
- Worked closely with backend developers to integrate RESTful APIs and improve overall functionality.
- Used Git version control system, enabling effective code collaboration.
- Experienced in using JIRA tool for effective tracking and task management
- Collaborated with test and product teams to identify and resolve software defects.

OTHER EXPERIENCE

Freelance Online Tutor **2020 to till date**

- Tutoring middle and high school students from US and UK for Science, Math and English by creating personalized and interactive sessions that help them in boosting up both their grades and confidence.

PROJECTS

Boeing -Aircraft Health Explorer

TECHNOLOGY- JavaScript, HTML5, CSS3, SCSS React.js, Redux/toolkit.

- Collaborated with UX/UI designers to translate design wireframes into high-quality code.
- Implemented state management using React Redux Toolkit to enhance application performance and user experience.
- Collaborated with the team to improve and refactor existing codebase for better performance and maintainability.
- Conducted user testing and implemented feedback to enhance user experience.

Shopping Web-Application

TECHNOLOGY- JavaScript, HTML5, CSS3, React.js, Redux/toolkit.

- Created a responsive, user-friendly shopping web application to offer users a smooth online shopping experience.
- Developed features for product browsing, search functionality, and filtering options.
- Implemented a secure checkout process.
- Utilized React Redux for efficient state management, allowing smooth and predictable state transitions throughout the application.

EDUCATION

BE-MECHANICAL ENGINEERING

KGiSL Institute Of Technology - CGPA 6.80

CERTIFICATION

Infosys Certified Front-End Web Developer
Infosys Certified React Associate
Infosys Certified React Professional
